GREENEVILLE

The Ladies' Aid Society of Greene monthly business meeting at the home of Mrs. Thomas Haslam of Fourth street. Wednesday evening. The president, Mrs. Samuel Lathrop, presided over the business meeting. Reports from the secretary and treasurer were read and accepted. It was voted to give \$10 to the Relief Fund. After the business Relief Fund. After the business meeting and treasurer were read and accepted. It was voted to give \$10 to the services of unfair competition.

5. All burdens unrelated to the services prformed should be removed from eting a social hour was enjoyed reshments of ice cream and fancy wafers were served by the hostesses. Mrs. George E. Geer and Mrs. Thomas Haslam. The next meeting will be held at the home of Mrs. William A. Pitcher of Prospect street, Wednerday, Feb. 2.

Mr. and Mrs. L. B. Carpenter and facts as to the results of operation and family have returned to their home on should have resident responsible execuwith relatives in New York, Thomas Hasiam of Appanaug it spend-

ing stonewalls on the same avenue, painting the fences and houses, and many other needed improvements."

NORWICH GIRLS GRADUATE AS NURSES AT HARTFORD

Marguerite Rose Shields of Cliff street and Miss Nora Cecella Murray of McKinley avenue were members of the class of 28 nurses graduated Wednesday

class of 28 nurses graduated Wednesday afternoon at the commencement exercises of the class of 1921. St. Francis hospital school for nurses, in Bartford.

The class also included the following from eastern Connecticut: Miss Agnes Items Peltler of Plainfield, Miss Margaret Mary Murphy of New London, Miss Anna Marguerite Flaherty of South Coventry, Miss Alice Catherine Murphy of William and Miss Mildred Delores Farnen. mantic and Miss Mildred Dolores Farnen

Bishop John J. Nilan gave the address to the class following the presentation of

Machine Skids in Montville.

A Ford touring car skidded in front of the residence of Dan D. Home in Montville Wednesday afternoon at 5.30, turning completely over. The windshield and top was smashed and one fender badly bent. The car was driven by a mun from Norwich, who did not give his name and one passenger was in the vehicle. After the machine was righted the driver was able to start for home.

There are bound to their profession by hooks of steal.

"DANDERINE"

Girls! Save Your Hair! Make It Abundant!

Immediately after a "Danderine" massage, your hair takes on new life, lustre and wondrous beauty, appearing twice as heavy and plentiful, because each hair seems to fluff and thicken. Don't let your hair stay lifeless, color-less, plain or scraggly. You, too, want lots of long, strong, beautiful hair.

A 25-cent bottle of delightful "Dandevine" freshens your scalp, checks dandruff and falling hair. This stimulating "beauty-tonic" gives to thin, dull fading hair that youthful brightness and abundant thickness — All drugsless.

CONNECTICUT MANUFACTURERS THREE-TRACK LINE BETWEEN

Believing the conservation of existing i local transportation facilities to be a matter of concern to industry, the executive committee and board of directors of the Manufacturers' Association of Connecticut have case an affirmative vote on the eight propositions submitted to referendum, No. 33, Chamber of Commerce of the United States given below. With reference to No. 6, the affirmative vote of this association was conditioned on the understanding that this is not to be interpreted as meaning that strest railways should be exempted from their fair share of the burdens of taxation.

The propositions voted on were as follows:

Believing the conservation of existing A substantial beginning of an important feature of the New Haven system—the construction of a third line of track between Providence and New London, vs. the Hartford Accident and Indemnity Company.

Morrison—Dorsey Wedding.

Announcement has been made of the marriage in New York Monday of Miss Charlotte Cushman Dorsey and Frank Leonard Morrison of New London. The wedding took place at the Church of the fair share of the burdens of taxation.

The propositions voted on were as follows:

Will have four through tracks all the work like of saling has been completed and between Kingston and Wickford stations. The latter stretch is but seven miles long, but with that from Wes erly to Bradford, in conjunction with slimlar work to be prosecuted up and down the line a third through track will be afforded. Ultimately, according to the present plans, the New Haven system will have four through tracks all the work. ilr share of the burdens of taxation.

The propositions voted on were as folwill have four through tracks all the way

DOES \$2,000 DAMAGE

Submarine O5, one of the latest type of undersea boas at the submarine base, crashed into the fenders of the Thames fiver bridge of the New Haven road, about 2,30 o'clock Thursday morning. The vessel tore away a considerable part of the timbers of the fender around the pier.

The craft was maneuvering down the river, but returned in about a half hour and proceeded to the submarine base under its ewn power.

It is estimated that the damage to the bridge fender will amount to about \$2,00. The damage to the vessel was slight, it is stated.

In the case of the vessel was slight, it is stated.

In the possibilities in many observation of the state have at last made a nintprocession at a time when chean power is essential. From the time some resident perhaps of a remote town resports a roaring mountary the following hospital bills for the quarters and the chamber wants the legislature at least to gather up information, certain; by then the member for in survey, if not to go further and promote development. The matter was put up for action at the lamb second by the first of the finder around the pier.
